THE ACADEMY OF PDCPC SUMMER CAMP

Join us for 9 weeks of summer fun!

2017

June 19-23: Ocean Life

Children experience an undersea adventure as we build sandcastles, count shells, & fill sensory bins with water.

June 26-30: Stars & Stripes

We celebrate Independence Day with red, white and blue crafts, flags, and of course a parade!

July 5- July 7: Pets

Children will make paper plate cat masks, parakeets on a swing, and discover the worlds of veterinarians & dog groomers.

Camp closed July 3rd & 4th

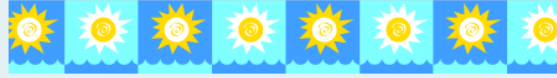

July 10- 14: Community Helpers

With paper bags & popsicle sticks, we'll build communities & helpers, bake brownies in our bakery & mail thank you notes from our post office.

July 17-21: Down on the Farm

Children will hatch chicks out of cotton, make mud piggy toes and learn how to ho-down!

July 24-28: Weather

We appreciate nature's perfect balance with rain clouds in a jar, paper fans, mud pies & colorful kites!

July 31 - Aug 4: Rainforest Animals

Children will learn of spiders, snakes & the adorable Olinguito as they plant seeds, make thumbprint jaguars, & snack on chunky monkey bars.

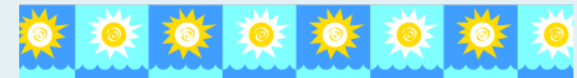

Aug 7-11: Around the World

As we travel the world, children will make flag wreaths, snack on banana sushi rolls, learn African dance & how to say hello in different languages.

Aug 14-18: My 5 Senses

Our final week, we explore the ways we use our senses making Kool Aid Playdough to smell, touching inside the "feely" bag, & making musical instruments.
